Hi, Mary Ann. I'm so glad you dropped by today. Please tell the readers some behind the scene facts about yourself.

Personal Motto

Without taking extraordinary risks, you will live an ordinary life. Follow your dreams, take the risk. You never know where life may take you.

Celebrate every writing success and never lose your sense of wonder about each opportunity.

You may or may not know:

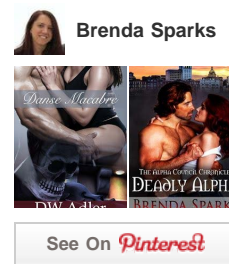

One of the best surprises was delivered via Federal Express when I received a thank you signed by the marines serving aboard the USS Ronald Reagan along with a lovely blue throw blanket with the USS Ronald Reagan emblem stitched into the fabric. This was in response to my book donation for their reading pleasure - boxes of signed copies of my work.

After visiting the Thetford Priory Ruins in Norfolk, UK, I learned that Ghost Hunters had featured the site, which is reputedly haunted. I did not see any specters, much to my disappointment.

Being a proud Trekker, I have attended Star Trek conventions in New York City and have been to the Star Trek Experience at the Las Vegas Hilton, and can be found on the Voyager bridge next to Captain Janeway.

Nancy Walker (actress best known for appearing on the TV show Rhoda) and I almost collided on a sidewalk in Manhattan.

When attending an Army / Navy game, the only available tickets were on the Army side - being a Navy baby, this did not bode well every time I cheered the midshipmen's touchdowns. I did get out of the stadium alive. And yes, Navy won!

You are very welcome, Mary Ann. I'm sorry there was the glitch with your photos, but I believe it is fixed now. I wish you much writing success.
